CAPTURING THE HEART OF WARRIOR FAMILY

From the heart of Brenda

Do you know what the heartbeat of Warrior Family is? In a nutshell, it's serving others without agendas, loving people unconditionally and furthering the Kingdom of God without watering it down. It's encouraging others, giving hope, praying without ceasing, persevering. It's remembering those who serve to protect us, those who serve others.

As we come out of the COVID lockdowns, separations and silencing, we have been given several additional opportunities to serve and IMPACT Families. I am truly humbled and honestly a little overwhelmed with the goodness of God and these "open doors".

I come to each of you, a people called into Chaplaincy, as Chaplain leaders who make a

difference to put on your "boots" and start stepping out with me, following the Holy Spirit leading, going where He sends us. You are going to be stretched, trained, prepared and ready for duty. There is a whole nation of hurt out your doors. We have to be ready to jump off the cliff sometimes and know our Father has us. Are you ready?

Over the next several months you are going to start seeing and hearing more about these opportunities and about our Deployment Team #3. Join me in praying for ourselves that

- my thoughts are His thoughts,
- my words are His words,
- my actions are His actions.

Continue to be safe, know how much you are appreciated and loved.
Blessing and God's continued favor over you and your family,
Brenda

INTRODUCING DEPLOYMENT TEAM #3

Have you ever had God just point you in a direction and say, "Go"? WFM has been given a unique opportunity to impact the families and the Officers of our Law Enforcement. Through Police Wives of America, we are now part of their Tuesday nights' teachings and encouraging moments Facebook Live events. Every Tuesday at 8:00pm(est) they are live with the topic of the month. WFM has been asked to take the last Tuesday of each month. More to come as we form this team of Chaplains.

Meet Our NEW 6x12ft enclosed trailer! Not only did God say, "Get ready to GO", He provided the equipment needed to meet the need. Thank you to our 2 donors.

It's time for the
2022 Annual WFM Chaplain Conference

Same As 2021 (\$520 Single, \$610 for Partner, Family, or Friends)

DON'T MISS OUT!

We've been shut up for 20+ months, had to cancel this years conference, haven't been together corporately in almost 2 years, I WANT TO SEE MY FAMILY!!! Get registered TODAY! Don't wait till the last minute. Register now and make payments till the end of November 2021. We've got an AMAZING trainer (Ch James Friedman), LIVE Worship (Whoo Hoo!) and evening speakers. Of course we have conference "swag" and a special "team building" challenge.

WFM needs you to support us too! I recently had conversations with some of our own Chaplains who told about the organizations they financially support and to be honest my thought was "What About Us?" I realize some of you may say, "well we pay our dues" but did you know that your dues go towards the cost of keeping Warrior Family going? Insurance, utilities, rent, internet, materials you may need to have (free isn't free), zoom, Basecamp, Dropbox, payroll, postage, printer supplies, and several more monthly expenses.

BUT donations support the vision ~ the ministry of serving others. We need you to believe in what you are called into - Chaplaincy and this organization, especially if you are in a leadership position. We are the example. Jay and I donate each month to WFM because it starts from the top down. It is going to take all of us giving for us to meet the needs we are being entrusted to meet within our communities and beyond.

Click on the "P" for Pushpay, our donation site or go to warriorfamilyministries.org and click on the "Partner With Us" or paste this link in your browser

<https://pushpay.com/g/warriorfamminwilmington> and sign up for the recurring donation.

For those of you who already donate ~ I cannot say **THANK YOU** enough. You have been such a blessing to WFM and its Vision & Mission.
